**Social Service Agency Workers Charged in Deadly Fraud Scheme**  
*MultiEthnic Behavioral Health, Inc. Charged with Fraud Scheme Involving Multi-Million Dollar City Contract*

PHILADELPHIA—United States Attorney Laurie Magid today announced the filing of a 21-count indictment charging eight employees of a social service agency with defrauding the City of Philadelphia and the federal government by falsely claiming to provide social services to needy families and then billing the City for the services. A ninth employee is charged with a single count of lying to a federal grand jury. The indictment alleges that the fraud scheme was carried out by employees of MultiEthnic Behavioral Health, Inc. ("MEBH") and contributed to the death of a 14-year-old girl for whom the City's Department of Human Services had hired MEBH to provide services. Joining in today's announcement were Health and Human Services Special Agent-in-Charge Pat Doyle, FBI Special Agent-in-Charge Janice Fedarcyk, and Philadelphia District Attorney Lynne Abraham.

The indictment alleges 12 counts of wire fraud, six counts of health care fraud, one count of conspiracy to obstruct a federal investigation, one count of providing a false statement to federal agents, and one count of perjury before a federal grand jury. Charged in the indictment are MEBH co-founders Mickal Kamuvaka, Solomon Manamela, Earle McNeill, and Manuelita Buenaflor; and MEBH workers Julius Juma Murray, Miriam Coulibaly, Christiana Nimpson, and Sotheary Chan. MEBH worker Patricia Burch is charged with one count of perjury.

Below is the evolution of a Philadelphia Family Court Official Federal Complaint, accompanying 32 pages evidence package Exhibits; proving 13 felony counts of Willful Reckless Child Endangerment, Fraud of

Several Recovery.gov Stimulus funded agencies; a 10-13-09 Letter Notice which records 10/8/09 determination that someone positioned to abuse the forms of Family Court Supervisor Judge Margaret T. Murphy, abused deployment of DHS' emergency tactical unit which included an army of Philadelphia Police headed up by an ethical Philadelphia Police Sergeant and whose responding ethical DHS social worker and Philadelphia Police Sergeant made call after call and looked at Roxanne's proofs of Federal Complaint charges and Pa Eastern District Federal Judge's Hon. Mitchell S. Goldberg's order to serve summons upon the Family Court Defendants and who determined by calling supervisor after supervisor and DHS legal department that Supervisor Judge Margaret T. Murphy never presided over any hearing about Roxanne Grinage and that the false accusations were simply dropped onto the DHS emergency response office's desk by someone who had access the court forms.

Even after 10-13-2009 Faxed and Emailed Letter Notice, asking DHS Administrators to take responsibility for competent records management which would enable next visiting DHS worker to have accurate information about the Grinage/Brown ongoing family victims; Kenneth A. Dixon, Philadelphia DHS social worker shows up at Roxanne Grinage's house at 4:32 PM on October 14<sup>th</sup> completely clueless, having no knowledge of or access to all the proofs given to Jacinta Garrison on 10/8.

The documentation and evolution of this case study which will be included one day in a nationwide Supreme Court Class Action Cert Petition, shows that DHS management deliberately keeps visiting social workers ignorant so they do what Kenneth A. Dixon did when he came to Roxanne's home 10/14, reciting the already proven fraudulent 10/8/09 charges and threatening victim mother Lorraine Grinage and Roxanne Grinage, saying "If you continue to defy 8-17-09 custody order, you run the risk of never ever seeing your kids again." 7-21-09 thru 9-7-09 Roxanne Grinage recorded evidence 13 counts official corruption stimulus agency fraud child endangerment obstruction terror stalking organized crimes of Philadelphia Family Court Defendant Caplan Possenti Shirdan Harris Muse Sheriff

Dear Clerk of Court:

If rules permit, please amend above described Complaint to record Plaintiff's Amended Complaint which incorporates 9/10/09 Complaint and Exhibits as if fully set forth herein and adds the following:

If rules do not permit submission of Amended Complaint, this simply notifies U.S. District Court for the Eastern District of Pennsylvania as follows:

1. On October 8, 2009, at least one or a combination of Official Corruption Defendants within 2:09-cv-04119-MSG (described above, including active links to 32 pages evidence package proofs of 13 counts official corruption, fraud of several Recovery.gov Stimulus funded agencies, terrorism, reckless child endangerment for financial gain, etc.), abused their Philadelphia Family Court positions and their access to forms of Supervisor Judge Margaret T. Murphy to make fraudulent Immediate General Protective Report (IMMD GPS), which abused deployment of Philadelphia Department of Human Services and Police.

2. After calls were made by the IMMD responding task force to supervisors of supervisors and legal departments and superiors on October 8, 2009, it was determined that the alleged order of Family Court Supervisor Judge Margaret T. Murphy was not an order at all and was in fact an anonymous complaint dropped onto the desk of the IMMD DHS office by someone who had access to the forms. Had it not been for the exemplary work ethic of the IMMD social worker and the Police Sergeant that accompanied her, Federal Official Corruption Plaintiff, Roxanne Grinage's grandchildren would have been recklessly endangered and suffered further assault and injury inflicted by the proven corrupt family court and law enforcement positioned defendants captioned in 09-cv-04119-MSG.

3. Due to the exemplary work ethic of DHS social worker (Jacinta Garrison) and Philadelphia Police Sergeant which headed the emergency IMMD GPS task force which accompanied DHS responding social worker; Roxanne's family was spared further injury inflicted by the Criminal Intent, Fraud, Terrorism and Forced Commercial transactions of the proven officially corrupt Philadelphia Family Court defendants within 09-cv-04119-MSG.

Ethical and competent DHS social worker and Philadelphia Police Sergeant took the time on October 8, 2009 to read to me that DHS received an order that a hearing took place supposedly presided over by Family Court Supervisor Judge, Margaret T. Murphy wherein it was purportedly decided children were determined to be in danger "because grandmother has history of mental problems". See Roxanne's exposure of Philadelphia Family Court and attorney Corruption US District Eastern Pennsylvania Federal Official Corruption, Stimulus Fraud and Child Endangerment Federal case <http://hirelyrics.org/hirelyricsresources.html>.

<http://www.whatistherelefttodo.com/209cv04119msggrinagevfernbrowncaplanetal/> and

4. The IMMD GPS responding social worker and Philadelphia Police sergeant were ethical, professional and performed thorough examination and took copies for DHS' records, the 47 pages July 20, 2009, Custody Complaint filed by protective grandparent Roxanne Grinage, with proof exhibits A through H. Exhibit B page, 07/09/07 email from Patricik.J.Mullen@phila.gov to Joseph.E.Kuna@phila.gov and page 7, my 07/07/07 child at risk emergency plea for assistance addressed to Philadelphia responsible administrators and media. Excerpt copied and pasted herein ([www.HireLyrics.org](http://www.HireLyrics.org)).

5. The 10/8/2009 IMMD responding task force social worker took the 47 pages of proofs in 7/20/09 Roxanne's custody complaint filed 7/20/09 which were proven censored/destroyed by corrupt Family Court custody master, Fern Brown Caplan which included letters to Supreme Court Justices, Antonin Scalia and Stephen Breyer, detailing the breaches of due process, service, discovery and disclosure starting July 21, 2009 and occurring daily until Fern Brown Caplan presided at August 14, 2009 rule to show cause hearing, and resulting in Criminal Official Corruption financially incited 8-17-2009 custody order signed by Lisette Shirdan-Harris.

On September 8, 2009, Roxanne Grinage was told that DHS would perform investigation of Roxanne Grinage's home and that Roxanne Grinage should expect to attend another court date. Emphasized here is that is exactly what Roxanne Grinage has been begging corrupt financially incited Family Court official corruption defendants, Fern Brown Caplan, Timothy E. Possenti and Lisette Shirdan Harris for since the proven criminal 8-17-09 order which criminally intended federal case defendants absolutely refused to correct by issuing ethical orders which do not endanger Roxanne's grandchildren for profit while defrauding taxpayer/stimulus funding.

This puts Department of Human Services, Arthur Evans, Joseph Kuna and particularly Francis Beatrice on notice that they had better make sure the visiting social worker is equipped with the truthful and accurate background of this case including the documented prior victimizations suffered by the Grinage/Brown family inflicted by systematic DHS social worker malpractice, neglect and incompetence. No American family should have to repeatedly suffer victimization after victimization because one or a combination of administrative processes (DHS and Family Court) can't or won't take responsibility for the integrity of records management. This Philadelphia Budget Crises and Epidemic

Any social worker claiming to have authority to investigate us will have to show Roxanne Grinage identification, give first and last name, including title so that eventual individual and professional accountability can be leveraged for reasonably expected mis-administration and confusion which would inflict injury upon Roxanne Grinage's family and finances.

It is not "mental problems" when a multiple victim of civil rights violations, forced to watch their futures consumed by fat cat, engorged unaccountable Montgomery and Delaware County commercial litigation attorneys picking up a few extra bucks as custody and support masters in Philadelphia Family Court, get away with time and time again taking advantage of the administrative challenges and limitations of Philadelphia's Department of Human Services records management and chronically poor work ethic.

Any social worker sent to scrutinize Roxanne Grinage after October 8, 2009, (and Roxanne Grinage is suggesting this as an administrative solution tool for all corrupt family court CPS DHS victims), will be given a written checklist form noting exactly what that social worker is aware of and has been shown or offered proofs of. If the social worker refuses to take the Acknowledgement, it will be published with the social worker's name and the social worker's supervisor's name for the world to see that DHS alludes responsibility and is likely culpable in the premeditation of systematically kidnapping loved wanted children for the Contract Service Provider list of Adoption Agencies. Profit. Human Trafficking. Federal Capital Crimes, not exempted by 1983 Civil Rights Act because there is no "judicial capacity" which justifies selling people for money, slavery.

The visiting investigating social worker that comes to Roxanne Grinage's home after October 8, 2009, is required to behave as though he/she has all information provided to date available to him/her which would give the Philadelphia DHS social worker clear, accurate overview for making qualified decisions and recommendations at whatever court hearings are scheduled thereafter.

If the DHS social worker visiting Roxanne Grinage after October 8, 2009, acts as though they don't have a clue what is going on or the social workers appears to have the same agenda as Roxanne's Federal Case Official Corruption Family Court attorneys, DHS loses its functionality for making qualified recommendations to Family Court.

Roxanne Grinage reserves Constitutional Rights, Bill of Rights and Civil Rights within and throughout any purported jurisdictions including and especially those processes and agencies which can be shown to have U.S. economy, Stimulus funding, financial incentive in conflict of moral and professional demeanor.

6. Michael Untermeyer, Candidate Philadelphia District Attorney and as Special Counsel to Philadelphia Office of Inspector General is cc'd because of my appreciation for his advertised commitment to cleaning up corruption in Philadelphia's City Hall. Under no circumstances are any of the federal official corruption defendants to be involved or have any say in custody matters concerning Roxanne Grinage's family as there are voluminous proofs of their civil rights crimes and forced commercial transaction against Roxanne Grinage's family and their criminal intent to go to any length for financial incentive.

7. Office of OIG has ignored prior notices and proofs of this Official Corruption tragedy in Philadelphia's CCP Family Court enabled by elected officials who look the other way and don't recognize the connection between dire budget crisis and American citizens being fed up with paying for the destruction of our families. 7-21-09 thru 9-7-09 Roxanne Grinage recorded evidence 13 counts official corruption stimulus agency fraud child endangerment obstruction terror stalking organized crimes of Philadelphia Family Court Defendant Caplan Possenti Shirdan Harris Muse Sheriff <http://hirelyrics.org/hirelyricsresources.html>

8. DHS and our Family Courts must hold accountable those court-positioned criminals bearing titles of esquire and judge for using "history of mental problems" to deploy taxpayer paid for services. On October 8, 2009, the ethical social worker and Philadelphia Police Sergeant, looked at the Family Court attorney, Timothy E. Possenti's positive drug test for his client and my son-in-law, and learned of Timothy E. Possenti's letter to Corrupt Custody Master, Fern Brown Caplan, suggesting that children be recklessly endangered with addiction impaired father for six months awaiting Fern Brown Caplan's pushed back court date used to destroy 47 pages of grandparent's evidence and mother's petition to modify including order of protection, and 5 years proof that children have always lived with grandparents and five years proof of Timothy E. Possenti's client, Roxanne's son-in-law, having threatened his family with a shot gun; having had frequent drug and alcohol relapses that result in his family (his children) being threatened with home invasion, kidnapping and death because of money he owes drug dealers.

9. Philadelphia Department of Human Services must figure out a way to compile records information so that one social worker cannot make comments to another social worker which are untrue, but get entered into note taking databases as fact.

10. Even though what really happened with Roxanne Grinage's requested help and DHS' timely response in 2007, is well documented in below partial pasted 7/20/2009 Custody Complaint Exhibit B. DR No. OC070512, Timothy E. Possenti, Esquire was able to produce for Fern Brown Caplan an incompetent, unqualified to comment on anything about our family, CHOP Social Worker Patricia Lee, LSW, who testified and entered "Patricia Lee Progress Notes, Wed Aug 1, 2007 11:20 AM", at multiple civil rights violations riddled August 14, 2009 Rule to Show Cause hearing, that "Telephone contact with DHS Worker, Aminata Simbo (215) 683-6735 as follow up to initial contact with DHS. Family is no longer in Philadelphia and DHS is closing their case. Ms. Aminata Simbo shared with me also that maternal grandmother contacted her yesterday and completely retracted her initial concerns. Information from Ms. Aminata Simbo that grandmother clearly appears to have some type of mental issues..."

11. Fern Brown Caplan's conspiracy with Timothy E. Possenti to extort money from Roxanne Grinage's addiction impaired son-in-law, willfully recklessly endanger Roxanne's grandchildren and defraud several Stimulus Funded Recovery.gov Agencies utilized the false, unqualified statements of DHS worker, Aminata Simbo to CHOP social worker, Patricia Lee, to inflict the civil rights violations and 13 counts official corruption crimes details in case caption of 2:09-cv-04119-MSG. At no time did Roxanne Grinage ever retract any claim made to Department of Human Services made on 07/07/07 and did in fact incorporate those claims as Exhibit B in July 20, 2009 Complaint, as Plaintiff, DR No. 0C0705124, censored and destroyed by Fern Brown Caplan, Esquire. There should be some criminal and fiscal accountability leveraged for a social worker who falsifies a litigation-impacting record.

Murphy, have been provided with true and accurate proofs and are hereby notified that each court and DHS positioned administrator and/or employee are individually and professional liable for all elevated risks, injuries, trauma, costs and losses, caused by poor work ethic, deliberate records mismanagement or premeditated criminal intent to commit Felonies of racketeering, kidnapping for profit, human trafficking, financially incented placement of Roxanne Grinage's grandchild in foster home without due process, disclosure and discovery. Below is the documentation of DHS Social Worker Kevin A. Dixon to Roxanne Grinage's home afternoon of 10/14/09 (yesterday), which revealed DHS's deliberate cover up of true and accurate evidence already in DHS's position. Each of you is advised that a nationwide class action cert petition will document your individual and professional malpractice, neglect or criminal intent, should Grinage/Brown children suffer further DHS malpractice, unethical conducts which are recorded, documented and published.
